Mission

At sparkling stars learning focuses on holistic development of your child. We believe that teaching children the skill to learn is the best gift.

Vision

- To promote the creative potential of children through integration of Performing Arts.
- To improve self confidence and creativity through participation and involvement in co-curricular.
- To provide proper opportunities for the physical and intellectual development of students.

About the Director:

A visionary leader shaping success in every frame

Mrs. Anita Soni, Director, Sparkling Stars School is an exemplary education visionary with a rich background in teaching and an exceptional flair for diverse activities. She is a dedicated, innovative and an accomplished educationist. She is a beacon of excellence and inspiration in the realm of education. With over twenty decades of pedagogical experience, she has gracefully transitioned from her roots as a Pre-primary teacher to an eminent personality.

She has wonderful Educational Attainment and Expertise Armed with M.A. in Sociology, B.Ed. and a wealth of teaching certifications. She has attained Honours Diploma in Systems Management from NIT. She stands as an embodiment of academic prowess. A diploma in Yoga further underscores her holistic approach to nurturing young minds. Her artistic talents shine brightly through her proficiency in art and craft that she seamlessly integrates into the curriculum, fostering creativity and fine motor skills among her students. Her versatility extends to crafting captivating webinars and presentations, where she eloquently imparts her wisdom to fellow educators.

A seasoned Judo enthusiast and advocate of sports in education, she ensures that physical well-being harmonises with intellectual growth. Her profound belief in the transformative power of education led her to secure the prestigious award of honour for excellence in the National Education Policy (NEP) of 2020. She has consistently attended seminars on topics ranging from 'Theatre and Drama Role in Education' to 'Experiential Learning Techniques'. She also participated in the CENTA webinar series, exemplifying her commitment in staying attuned to emerging educational trends. She has attended a workshop on 'National Educational Policy and its implications for teachers.'

She stands as an oasis of educational excellence. With her impeccable academic qualifications, multifaceted talents, and indomitable spirit, she continues to inspire generations and redefine the very essence of holistic education.

"At Sparkling Stars School, we strive for excellence not as a destination, but as a continuous journey guided by passion, dedication, and the unwavering commitment to nurturing young minds."

"Welcome to Sparkling Stars, a place where education is an art, teaching is a passion, and every child is a shining star."

Mrs. Anita Soni
Director
Sparkling Stars School
